

Kingdom to Kingdom

"He has delivered us from the domain of darkness and transferred us to the kingdom of his beloved Son" Colossians 1:13

Welcome to our first newsletter. We're so excited to be sharing with you our plans to serve Christ and his kingdom in the kingdom of Cambodia. Our hope is to go to minister amongst children, youth and university students in Phnom Penh. We pray that you would partner with us as together we take the gospel to the people of Cambodia.

Why Cambodia?

Cambodians desperately need Bible teachers to share the good news of Jesus. We realised this after spending 9 weeks of our long service leave last year

running a kids and youth holiday program at Celebrating Church in Phnom Penh (see photos below). As a result of our time there we want to use the blessings we've received in Australia to be a blessing to Cambodians. There are many opportunities to do this in Cambodia. In Phnom Penh there are over 40 universities with very little Christian ministry being done on campus. It's our prayer that Cameron can start reaching the unreached at

these universities. Cameron plans to train and equip students through Bible teaching while Lara hopes to reach children, youth and women. Together as a family, we hope to share God's love to those who so desperately need it.

Where are we up to?

This month we were formally accepted as appointee missionaries with Pioneers Australia. Our appointment has come after 9 months of

conversation with Pioneers Australia about returning to Phnom Penh. In May this year Pioneers invited us to apply and we gratefully accepted. After filling out numerous forms, undertaking medical examinations, psychology tests and various interviews, we were finally appointed. Praise God! To get back to Cambodia we now need to start raising a support team of people who will partner with us in this work.

Will you partner with us?

We'd love you to prayerfully consider whether you can partner with us through prayer, financial support or even coming to visit us or to work alongside us after we arrive in Cambodia. Please consider coming along to one of our prayer and information meetings or the first of our fundraising nights (see below) or simply come over to our place and join us for a meal. Our mission agency Pioneers is a wonderful organisation that seeks to reach the unreached with the good news of Jesus. If you'd like to support us financially or for more information about Pioneers please see the Pioneers Australia website below.
